

Privacy Statement of Tenere Development and Operations B.V.

April 1, 2020

During the processing of personal data Tenere Development and Operations B.V. works conform the requirements of the applicable data protection legislation, like the General Data Protection Regulation. This means we:

- **clearly specify our purposes** before we process personal data, by using this privacy statement;
- **limit our collection of personal data** to only the personal data needed for legitimate purposes;
- first **ask for explicit permission** to process your personal data in cases where your permission is required;
- take **appropriate security measures** to protect your personal data and we demand the same from parties who process personal data on our behalf;
- **respect** your right to access, correct or delete your personal data held by us.

Tenere Development and Operations B.V. is the party responsible for all data processing. In this privacy statement, we will explain what kind of personal data we collect and for which purposes within our app Tenere. We recommend that you read it carefully.

If you have any questions regarding the processing of personal data, you can find the contact details of Tenere Development and Operations B.V. at the end of this privacy statement.

Contact form

You can use our contact form to ask questions or make any request. For this purpose, we use your message you wish to send to us, phone number, email address, birth date, name and address details, payment details, gender, profile picture, nickname, IP address and invoice address. We do this on the basis of your consent. We store this information until we are sure that you are satisfied with our response.

Registration

Certain features of our service require you to register. You will have to provide some information about yourself and choose a username and password for the account that we will set up for you.

For this purpose, we use your email address, invoice address, payment details, profile picture, birth date, phone number, gender, name and address details, nickname and IP address. We do this on the basis of your consent. We store this information for three months after you closed your account. Certain types of personal data will be retained for a longer period with regards to the legal tax retention.

We will retain this data so that you do not have to re-enter it every time you visit our app or website, and in order to contact you in connection with the execution of the agreement, invoicing and payment, and to provide an overview of the products and services you have used or purchased from us.

Statistics and profiling

We keep statistics on the use of our app. These statistics help us to, for example, only show you information that is relevant to you. We may combine personal data to get to know more about you. We will, of course respect your privacy at all times. If you do not want us to do these statistics, please let us know.

For this purpose, we use your email address, birth date, phone number, IP address, nickname, invoice address, payment details, name and address details, profile picture and gender. We do this on the basis of your consent. We store this information for one year.

Access to personal settings

Within your profile, you can access an environment where you can set, specify and change settings. We will keep track of your activities for proof.

For this purpose, we use your phone number, profile picture, email address, gender, invoice address, nickname, payment details, name and address details, IP address and birth date. We do this on the basis of your consent. We store this information until our services to you have ended.

Sending newsletters and notifications

We make use of notifications and have a newsletter to inform those interested on news, tips and information about our products and services. Your e-mail address is added to the list of subscribers, only with your permission. With your app subscription you give consent for us to send you in-app notifications.

For this purpose, we use your gender, invoice address, profile picture, IP address, payment details, email address, name and address details, birth date, nickname and phone number. We do this on the basis of your consent. We store this information until you cancel your subscription.

You may cancel your subscription to our newsletter at any time. Each newsletter contains a link to unsubscribe from our newsletter.

Promotion

Other than the advertisements on the website and app, we can inform you about new products or services:

- by e-mail
- via social media
- In-app notifications

You can object at all times against this promotional communication. Every e-mail contains a cancellation link. On social media, you can block us or use the cancellation option. You can also inform us through your account. Further, you can inform us inside the app.

Location data

If necessary, we may collect your location data (GPS). If that is the case, you will be asked to grant consent beforehand.

This location data and other data can also be stored and processed by the provider of the navigation/mapping software, such as Google Maps, but the data could also be used by, for example, Google or Apple itself. We have no control over their actions. We recommend that you read the applicable privacy statement of the provider in question.

App store

The app providing the service has been downloaded via a third-party app store. We have no influence on which personal data the provider will process or to what purpose it will be processed. We recommend that you read the applicable privacy statement of the provider in question.

Advertisements

Our app shows advertisements. We analyse whether people like these advertisements, and use the information to only show or make nice or interesting advertisement or offers in the future.

Providing data to third parties

Except for the parties necessary to deliver the above mentioned services, we do not under any circumstance provide your personal data to other companies or organisations, unless we are required to do so by law (for example, when the police demands access to personal data in case of a suspected crime).

Our website and app features social media buttons. These buttons are used by the providers of these services to collect your personal data.

Statistics

We keep statistics on the use of our app and website.

Cookies

Our app and website makes use of cookies. Cookies are small files in which we can store information, so that you do not have to fill in that information again. We can also use them to see whether you are visiting us again.

The first time you visit our app, we will show you a notification explaining our cookies and ask for your permission for the use of these cookies.

You can disable the use of cookies through your browser setting, but some parts of our website may not work properly as a result of that.

Google Analytics

We use Google Analytics to track visitors on our website and app and to get reports about how visitors use the website and app. We accepted the data processing agreement from Google. We do allow Google to use information obtained by Analytics for other Google services, and we don't anonymize the IP-adresses.

Security

We take security measures to reduce misuse of and unauthorized access to personal data. We take responsibility in the security of your personal data. We renew our security measures to ensure safe storage of personal data and keep track what might go wrong.

Changes to this privacy statement

We reserve the right to modify this statement. We recommend that you consult this statement on a regular basis, so that you remain informed of any changes.

Inspection and modification of your data

You can always contact us if you have any questions regarding our privacy policy or wish to review, modify or delete your personal data.

You have the following rights:

- **Right of access:** you have the right to see what kind of personal data we processed about you;
- **Right of rectification:** you have the right to rectify any personal data we have processed about you, if this information is (partially) wrong;
- **Right to complain:** you have the right to file a complaint against the processing of your personal data by us, or against direct marketing;
- **Right to be forgotten:** you can file a request with us to remove any personal data we have processed of you;
- **Right to data portability:** if technically possible, you have the right to ask us to transfer your processed personal data to a third party;
- **Right to restriction of processing:** you can file a request with us to (temporarily) restrict the processing of your personal data.

If you exercise any of the rights mentioned above, we might ask to identify yourself with a valid ID, to confirm it is your personal data. If so, it is important that you hide your social security number and photo.

We will usually respond to your request within 30 days. This term can be extended if the request is proven to be complex or tied to a specific right. You will be notified about a possible extension of this term.

Complaints

If you want to file a complaint about our use of personal data, please send an email with the details of your complaint to hello@tenere.app. We will look into and respond to any complaint we receive.

If you think that we are not helping you in the right way, you have the right to file a complaint at the authority. For The Netherlands, this is the Autoriteit Persoonsgegevens.
